TECHNICAL SUPPORT BRANCH

NAVIGATION BULLETIN NO. 07-14

NOTICE TO NAVIGATION INTERESTS:

BLACK WARRIOR AND TOMBIGBEE RIVER SYSTEM, ALABAMA

On or about June 16, the dredge E STROUD will begin work at Coffeetown lower approach, mile 116, and continue below Coffeetown. The dredge will work 24 hours per day, 7 days per week, and will monitor VHF channel 16. Mariners should not pass without a proper exchange of signals. For latest status, contact Tuscaloosa Site Office, (205)752-3571.

A barge is partially sunken at mile 210.5 on the shallow side of the river, and is not lighted. The U.S. Coast Guard has directed it be lighted and removed.

On June 16 and 17, there will be boat races at Bashi Creek Park, between mile 144.5 and 145.5, between approximately 1200 and 1800 hours both days. There will be four boats in the water, two upstream, two downstream, and the Alabama marine police are to be present. The races will stop with an approaching tow. Point of contact is Harvey Hawkins, (334)289-3540.

DONALD GREENE
Acting Chief, Navigation Section
